Dear Mother & Folks

Hope everyone is well back there. I'm feeling swell & not working any to hard. Am still at a B.S. on maintenance a little duty.

Heard from Frank again yesterday & he expected to be out by the first of this month. Said he was coming up to see you all as soon as he got out over there & got home. He sure deserves to get out for he has done quite a lot in this war.

Listen to the first four games of the Series & at present it is two all. We had a radio hooked up in our Company Area & it could be heard all over the Area. We all gather around the loud speaker & have a big fire to keep warm & listen to the games. I like the Cubs to win out in about seven

games. It sure has been cold here lately & it sure is cold sleeping in the tent.

Hope Aunt Annie is as good as new. That Milford hospital must be getting to know the Folmer family. Haven't heard any more report about coming home. but don't think it would be wise to send any Christmas gift. You can't tell what will happen.

Rumor has it we will head for Germany in a couple of weeks. Don't know if the high pointers will go up there or not. If I stay over here I will write as soon as I get in Germany as here. Don't think I could mail any food. Thanks just the same.

Must close for now. Please write soon.

Love to all

"Pete"
